The Christmas Celebration Video is intended to be a "sneak peak" of how your child is progressing in practice; therefore, it is CLOSED to parents. The big stage recital in May will be open to ALL family members and friends.

If a parent did not return the Video Permission form in November, your child will not be participating in the Christmas Celebration practice.

*We will NOT have practice the week of December 12th-16th since the digital showcase practices will be longer.
